WFN/AFAN EPILEPSY EDUCATION DAY PROGRAMME 6 NOVEMBER 2021

Hosted by Riadh Gouider, Convenor of the 2021 WFN/AFAN E-Learning Day

- 08:00** Opening; introduction: AFAN/WFN/ILAE (5 min)
Moderator/CHAIR : Angeline Kakooza (AFAN-ILAE) -Uganda; William Carroll (WFN)- Australia
- 08:10** The epidemiology and incidence of Epilepsy in Africa (20min)
Charles Newton (AFAN - Kenya)
- 08:30** Tackling the burden of epilepsy in Africa (20min)
Amadou Gallo Diop (AFAN - Senegal)
- 08:50** clinical approach to epilepsy and seizures; definitions and classification (30 min)
Augustina Charway – Felli (AFAN - Ghana)
- 09:20** Q&A (10 min)
- 09:30** BREAK (20min)
- 09:50** Rational use of neuroimaging in the diagnosis of epilepsy in LMICs (20 min)
Tarek Yousry (United Kingdom)
- 10:10** EEG interpretation – a little knowledge is a dangerous thing (20min)
Lawrence Tucker (AFAN - S Africa)

10:30 Using clinical features to recognise autoimmune epilepsies **(20min)**
Nadia Ben Ali (AFAN - Tunisia)

10:50 **Q&A (10 min)**
11:00 **Break (20 min)**

Moderator/CHAIR
 English: Hassan Hosny (AFAN - Egypt)
 French: Daniel Gams Massi (AFAN - Cameroon)

11:20 Managing new-onset seizures in Africa and other resource-constrained settings;
 evaluation and differential diagnosis **(30min)**
English: Roland Eastman (AFAN - S Africa)
French: Alfred Njamnshi (AFAN – Cameroon)

11:50

Managing seizures and behavioural problems in children with epilepsy in Africa and other limited-resource settings **(20min)**

English: Jo Wilmshurst (ILAE/AFAN -South Africa)

French: Zeinab Kone (AFAN – Mali)

12:10

Management of Epilepsy in special populations: Women; HIV; **(20min)**

English: Gretchen Birbeck (AAN) (USA/Zambia)

French: Amina Gargouri (AFAN – Tunisia)

12:30

Managing status epilepticus in a limited-resource setting **(20min)**

English: Osheik Seidi (AFAN – Sudan)

French: Athanase Millogo (AFAN- Burkina Faso)

12:50

Q&A (15 min)

13:05

BREAK/LUNCH (90 min)

Moderator/CHAIR

Mehila Zebenigus (AFAN – Ethiopia) Deanna Saylor (AAN - USA/Zambia)

- 14:35** Making the case for epilepsy surgery in LMICs **(20min)**
James Butler (AFAN - S Africa)
- 14:55** Diagnosing and managing psychogenic, non-epileptic seizures (PNES) in LMICs **(20min)**
Maria Benabdeljlil (AFAN - Morocco)
- 15:15** Establishing an effective epilepsy service in a poorly resourced African setting **(15min)**
Birinus Ezeala-Adikaibe (AFAN - Nigeria)
- 15:30** The utility and efficacy of Web-based EEG training and e-learning in Africa and other resource constrained settings: making the case of Web-based neurology training in Africa **(15min)**
Melody Asukile (AFAN - Zambia)
- 15:45** **Open discussion Q&A (20 min)**
- 16:05** **CLOSING REMARKS**
 Lawrence Tucker and Wolfgang Grisold (AFAN, WFN, ILAE, AAN, EAN) **(10 min)**
